SECTION 1. IMPROVEMENTS. No improvements, alterations, repair, change in paint color, excavation, change in grade, planting, landscaping or other work which in any way alters the exterior of any Lot or the improvements located thereon from their natural or improved state existing on the date such Lot was first conveyed in fee by the Declarant and/or Builder to an Owner other than Declarant and/or Builder shall be commenced, erected or maintained upon any Lot and no building, fence, wall, residence or other structure shall be commenced, erected, maintained, improved, altered, or removed until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Executive Board of the Association or by an architectural committee composed of three (3) or more representatives appointed by the Board (the "Architectural Control Committee"). Temporary seasonal exterior decorations shall not require the prior approval of the Executive Board or the Architectural Control Committee, but if any such decorations are determined, in the sole discretion of the Executive Board or Architectural Control Committee, to be distasteful or otherwise disruptive of the aesthetics or visual harmony of the community, the Executive Board or the Architectural Control Committee may require that such decoration promptly and permanently be removed. In the event that an Owner neglects or fails to remove any such decorations at the request of the Executive Board of the Architectural Control Committee, the Association may provide for such removal. In order to enable the Association to accomplish the foregoing, there is hereby reserved to the Association the right to unobstructed access ever and upon each Lot at all reasonable times for such purpose and the cost of such removal shall be added to and become a part of the dues to which such Lot is subject.

Notwithstanding the foregoing, nothing herein contained shall prevent or interfere with the right of Declarant and/or Builder to improve and develop the properties, change floor plans and façade of townhome, as Declarant and/or Builder chooses, so long as said development follows the general plan of development of the Properties previously approved by the City of High Point. Accordingly, Declarant and/or Builder will obtain the approval of the Architectural Control Committee for improvements erected on the Properties by or at the direction of Declarant and/or Builder. In addition, for so long as Declarant and/or Builder or any affiliated entity owns any Lot Declarant and/or Builder or its affiliate may approve any plans and specifications rejected by the Executive Board of the Architectural Control Committee for the construction or alteration of improvements on any Lot provided the construction or alteration approved by Declarant and/or Builder or its affiliate comport with the general scheme of development approved by the City of High Point. Such approval by Declarant and/or Builder or its affiliate shall operate and have the same effect as approval by the Executive Board or the Architectural Control Committee.

SECTION 2. PROCEDURES.

(a) Any person desiring to make any improvement, alteration or change described in Section 1 above shall submit the plans and specifications therefore, showing the nature, kind, shape, height, materials and location of the same, to the Executive Board of the Association or the Architectural Control Committee which shall evaluate such plans and specifications in light of the purposes of this Article

(b) Upon approval by the Architectural Control Committee of any plans and specifications submitted pursuant to this Declaration, a copy of such plans and specifications, as approved, shall be deposited for permanent record with the Architectural Control Committee and a copy of such plans and specifications bearing such approval, in writing, shall be returned to the applicant submitting the same. Approval for use in connection with any Lot of any plans and specifications shall not be deemed a waiver of the Architectural Control Committee's right, in its discretion, to disapprove similar plans and specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use in connection with any other Lot. Approval of any such plans and specifications relating to any Lot, however, shall be final as to that Lot and such approval any not be reviewed or rescinded thereafter, provided that there has been adherence to, and compliance with, such plans and specifications, as approved, and any conditions attached to any such approval. As a condition to the granting of approval of any request made under this Article, the Association may require that the Owner(s) requesting such change be liable for any cost of maintaining, repairing and insuring the approval alteration. If such condition is imposed, the Owner(s) shall evidence consent thereto by a written document in recordable form satisfactory to the Association. Thereafter, the Owner(s), and any subsequent Owner(s) of the Lot, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, are deemed to covenant and agree that the cost of maintaining, repairing and insuring such alteration shall be a part of the annual dues or charge set forth herein, and subject to the lien rights described herein.

(c) Neither Declarant and/or Builder, nor any other member of the Association's Executive Board or Architectural Control Committee, shall be responsible or liable in any way for any defects in any plans or specifications approved by them, nor for any structural defects in

any work done according to such plans and specifications. Further, neither Declarant and/or Builder, nor any member of the Association's Executive Board or Architectural Control Committee, shall be liable in damages to anyone by reason of mistake in judgment, negligence, misfeasance, malfeasance, or nonfeasance arising out of or in connection with the approval or disapproval of any such plans or specifications or the exercise of any other power or right provided for in this Declaration. Every person who submits plans or specifications for approval agrees, by submission of such plans and specifications, and every owner of any Lot agrees, that he or she will not bring any action or suit against Declarant and/or Builder, or any member of the Association's Executive Board or architectural Control Committee, to recover any such damage.

SECTION 3. FEES AND BONDS. The Association is specifically authorized, but is not required, to charge application or processing fees for approval of plans, and to require the posting of reasonable bonds or deposits prior to commencement of construction to protect the Association against damage to streets or Common Areas, or costs incurred in causing correction of any construction or site work performed otherwise and in accordance with approved plans.

ARTICLE VI BUILDING GUIDELINES

SECTION 1. PHILOSOPHY. These guidelines are developed to implement the design philosophy of CAMBRIDGE OAKS and are intended to provide direction to builders and contract home buyers in the planning, design and construction of dwellings and related structures. The primary emphasis is upon quality of design and compatibility of all improvements, without unduly restricting builders' and home buyers' ability to exercise individuality in their construction of a dwelling on a Lot. It is the purpose and intent of these guidelines to develop CAMBRIDGE OAKS as a harmonious and aesthetically pleasing residential community while preserving and enhancing the natural beauty of the area

SECTION 2. RESIDENTIAL USE OF PROPERTY. All Lots shall be used for single-family and townhome, residential purposes only, and no business or business activity shall be carried on or upon any Lot at any time, except with the written approval of the Executive Board; provided, however, that nothing herein shall prevent Declarant or any builder of homes in CAMBRIDGE OAKS approved by Declarant from using any Lot owned by Declarant or such builder of homes for the purpose of carrying on business related to the development, improvement and sale of property in CAMBRIDGE OAKS; and provided further that, to the extent allowed by applicable zoning laws private offices may be maintained in dwellings located on any of the Lots so long as such is incidental to the primary residential use of the dwellings.

Each Lot may contain only one detached single-family private dwelling or one townhome, private garages, and only such other accessory structures as may be approved by the Architectural Control Committee.

SECTION 3. TOWNHOME PARTY WALLS.

(a) Each wall which is built as a part of the original construction of the homes upon the property and placed in the dividing line between the lots shall constitute a party wall, and, to

the extent not inconsistent with the provisions of this Section, the general rule of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

(b) The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

(c) If a party wall is destroyed or damaged by fire or other casualty, an Owner who has use of the wall may restore it, and if the other Owner thereafter makes use of the wall, he shall contribute to the cost of restoration in proportion to such use without prejudice, however, subject to the right of any such Owner to call for a larger contribution for the other under any rule of law regarding liability for negligent or willful acts of omissions.

(d) Notwithstanding any other provision of this section, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against the elements.

(e) The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors in title.

(f) In the event of any dispute arising concerning a party wall, or under the provisions of this Section, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be by majority of all the arbitrators.

SECTION 4. WALLS AND FENCES. No fence or wall shall be erected, placed or altered on any Lot nearer to any street than the front building line of the dwelling unless the same be a retaining wall of masonry construction which does not in any event rise more than 18" above the finished grade of the earth embankment so retained, reinforced or stabilized. All fence and/or wall must meet the zoning requirements of the City of High Point. All proposed fencing must be approved by the Declarant.

SECTION 5. SUBDIVISION OF LOT. One or more Lots or parts thereof may be subdivided or combined to form one single building Lot when approved, in writing, by the Declarant. For the purpose of determining compliance with the foregoing line requirements, terraces, stoops, eaves, wingwalls, and steps extending beyond the outside wall of a structure shall not be considered as part of the structure. No side yard shall be required for any detached garage or accessory outbuilding which has been approved, in writing, by the Architectural Control Committee; provided, all such detached structures must be to the rear of the main dwelling, must not encroach upon the Lot of an adjacent owner, and must be in compliance with any applicable zoning ordinances and subdivision regulations.

SECTION 7. MINIMUM BUILDING SIZE REQUIREMENTS. The minimum square feet requirements for each dwelling to be erected on a Lot shall be determined by the outside measurement of enclosed heated area exclusive of porches, basements, garages, stoops, terraces and breezeways, and shall be as follows: one-story dwellings shall contain a minimum of one thousand four hundred (1,400) heated square feet.

SECTION 3. REQUIREMENTS OF INSTITUTIONAL LENDER. Whenever any Institutional Lender desires to avail itself of the provisions of this Article, it shall furnish written notice thereof to the Association by CERTIFIED MAIL at the address shown in the Articles of incorporation identifying the Lot or Lots upon which any such Institutional Lender holds any first lien or identifying any Lot or Lots owned by such institutional Lender and such notice shall

designate the place to which notices, reports, or information are to be given by the Association to such Institutional Lender.

ARTICLE X GENERAL PROVISIONS

SECTION 1. PLANTING OF TREES AND SHRUBS. All trees and shrubs in the common area and lots will be initially planted by the Declarant. Declarant shall guarantee the plantings for a one (1) year period which guarantee shall be for twelve (12) months from the date of planting. At the end of the twelve (12) month period, all plantings shall be the responsibility of the single family Lot owner and the Homeowners' Association on behalf of the townhome unit owner.

SECTION 2. ENFORCEMENT. The Owner(s) of each Lot shall be governed by and shall comply with the provisions of this Declaration, the Bylaws of the Association and all rules and regulations of the Association adopted pursuant thereto, as any of the same are now constituted or as they may be amended from time to time. A default by any Owner shall entitle the Association or the Owner(s) of any of the other Lots to the following relief:

(a) The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, the Bylaws of the Association and all rules and regulations of the Association adopted pursuant thereto. Failure to comply with any of the terms of this Declaration or other restrictions and regulations contained in the Bylaws of the Association, or which may be adopted pursuant thereto, shall be grounds for relief including without limitation an action to recover sums due for damages, injunctive relief, foreclosure of lien, or any combination thereof. The Association shall have the right to request that law enforcement, public safety and animal control officers come on the Properties to facilitate the enforcement of the laws, codes and ordinances of any governmental authority.

(b) The Association, after notice to the Owner and a reasonable opportunity to be heard, shall have the right to assess reasonable fines against an Owner for violations of this Declaration, the Bylaws of the Association or the Association's published rules and regulations by such Owner, or such Owner's family, guests, invitees and lessees in an amount deemed reasonable by the Association for each violation, and without further hearing, for each day after the decision that the violation has occurred. Such fines shall be deemed to be dues as set forth in Article IV of the Declaration and if not paid within thirty (30) days after notice and demand thereof, the Association shall be entitled to the remedies set forth in the Declaration for the enforcement and collection of delinquent dues.

(c) The Association, after notice to the Owner and a reasonable opportunity to be heard, shall have the right to suspend privileges or services provided by the Association (except rights of access to Lots) for reasonable periods for violations of the Declaration or the Bylaws, Articles of Incorporation, or rules and regulations of the Association. If it is decided that a suspension of privileges or services provided by the Association should be imposed, the suspension may be continued without further hearing until the violation is cured.

(d) If an Owner is legally responsible for damage inflicted on any Common Area, the Association may direct such Owner to repair such damage, or the Association may itself cause the repairs to be made and recover damages from the responsible Owner if damage is inflicted on any Lot by an agent of the Association in the scope of the agent's activities as such agent, the Association is liable to repair such damages or to reimburse the Owner for the cost of repairing such damages. The Association shall also be liable for any losses to the Owner. When any such claim for damages against an Owner or the Association is less than or equal to the jurisdictional amount established for small claims by North Carolina General Statute 7A-210, any aggrieved party may request that a hearing be held before an adjudicatory panel appointed by the Executive Board of the Association to determine if an Owner is responsible for damages to any common Area or the Association is responsible for damages to any Lot. If the Executive Board fails to appoint an adjudicatory panel to hear such matters, such hearings shall be held before the Executive Board. Such panel shall accord to the party charged with causing damages notice of the charge, opportunity to be heard and to present evidence and notice of the decision. This panel may assess liability for each damage incident against each Owner charged or against the Association not in excess of the jurisdictional amount established for small claims by North Carolina General statute 7A-210. When the claim exceeds the jurisdictional amount established for small claims by North Carolina General Statute 7A-210, liability of any Owner charged or the Association shall be determined as otherwise provided by law. Liabilities of Owners determined by adjudicatory hearing or as otherwise provided by law shall be dues secured by lien under Section 47F-3-116 of the Planned Community Act. Liabilities of the Association determined by adjudicatory hearing or as otherwise provided by law may be offset by the Owner against sums owing to the Association and if so offset, shall reduce the amount of any lien of the Association against the Lot at issue.

(e) In any proceeding arising because of an alleged default by an Owner, the Association, if successful, shall be entitled to recover the costs of the proceedings and such reasonable attorneys' fees as may be determined by the Court.
